Perfect pouch laminator for hobby craft or home use. HP OneLam Combo A3 scores with an integrated cutter, which makes it even easier to cut your documents in straight, curled or perforated format. Through use of the angle presets and centimeter grid, your laminated documents can easily be cut to the desired size. Like the other laminators in the HP OneLam range, this handy backloader is suitable for both hot and cold lamination. The HP pouch laminating machines are designed to make laminating easy.
